SECRETARY BLAINE has received a communication from Dr. Cruz, a delegate to the international American conference from Guatemala, thanking the United States government in the name of the government of Guatemala for the constant and delicate attentions paid the delegates from that country during the excursion just terminated.
In his decision against the Chicago gas trust at Chicago, on last week Wednesday, Judge Mugruder in the supreme court declared that the creation of a giant company, for the purpose of buying up other companies in the same business, is not only opposed to public policy, but is a contravention of the spirit of the constitution. This reverses the decision of the lower court.
ALDERMAN CALLEN, Doughty and Manesee and Detectives Bander, Doyle, Nagle and Bender of Pittsburgh, Penn., convicted of conspiracy to defraud, in accepting bribes to settle illegal liquor-selling cases, have been sentenced. Callen got three years in the workhouse, Doughty one year and Manesee six months in jail. Bander and his chief detective each got three years in the workhouse, Nagle one year and Bender six months in jail.
In the report of Postmaster-General Wanaumaker for the year ending June 30 it is suggested that authority be given to retire clerks who have arrived at a certain age upon the report of three bureau chiefs, and to allow one year's pay upon such retirement; that a system of mail distribution on the ocean steamships be established; that the question of establishing postal savings banks at ten thousand fourth-class offices be considered. One cent postage is said to be an easy possibility of the future. A full parcels post is opposed.
Foreign.
ARCHBISHOP WALSH was assaulted with stones by a mob of Orangemen at Toronto last week.
MARTIN FARQUHAR TUPPER, the well-known poet and prose writer, is dead. He was born in 1810.
An explosion took place in a colliery at Bochum last week Thursday, by which fourteen people were killed and four injured.
W. H. HARVEY of Guilford, Ont., who murdered his wife and two daughters last March, was hanged last week Friday. The execution was one of the worst pieces of hanging ever witnessed.
THE London Times' correspondent at Brussels says: "A Belgian statesman who has recently visited Rome learned that the pope was compelled to abandon his attempt to pacify Ireland because the clergy of that country threatened to rebel against papal authority in case he persisted in his intention, as their living depended upon the nationalists."
ADVANCES from Port-au-Prince, dated November 13, state that the presentation of the United States minister, Hon. Frederick Douglass, took place at the palace of the capital on that day, on which occasion Minister Douglass presented his letter of credence and also his predecessor's letter of recall. Mr. Douglass read his address, a short, terse expression of the feelings of the United States toward Hayti, and the president made a reply.
Business Notices.
PREMATURE gray whiskers should be colored to prevent the appearance of age, and Buckingham's Dye is by far the best preparation to do it.
"TRIED and true friends are scarce, but if you are suffering with that horrible disease, scrofula, you will find Sulphur Bitters will cure you, as it did me after suffering eight years and paying out hundreds of dollars to doctors and druggists."—*Jeannette Hanson, Troy, N. Y.*
GEORGE A. AINSWORTH, Williamstown and Barre, dealer in pianos, organs and sewing-machines. Barre headquarters, Parley Chandler's jewelry-store. He has the agency for the White sewing-machine, "which was awarded the highest premium on sewing-machines at the great centennial exhibit at Cincinnati, Ohio, 1888, for simplicity of construction, durability of parts, adaptability of adjustment, light and quiet running."
THE handsomest lady in Montpelier remarked to a friend, the other day, that she knew Kemp's Balsam for the Throat and Lungs was a superior remedy, as it stopped

her cough instantly, when other cough remedies had no effect whatever. So to prove this, and convince you of its merit, any druggist will give you a sample bottle free. Large size fifty cents and \$1.00.
THE fountain of perpetual youth was one of the dreams of antiquity. It has been well-nigh realized in Ayer's Sarsaparilla, which purifies the blood, gives vitality to all the bodily functions, and thus restores to age much of the vigor and freshness of youth.
THE breath of a chronic catarrh patient is often so offensive that he becomes an object of disgust. After a time ulceration sets in, the spongy bones are attacked and frequently entirely destroyed. A constant source of discomfort is the dripping of the purulent secretions into the throat, sometimes producing inveterate bronchitis, which in its turn has been the exciting cause of pulmonary disease. The brilliant results which have attended its use for years past properly designate it as the Cream Balm as by far the best and only cure.
No other as good. This is the statement of Professor Smith, analytical chemist: "I have analyzed all of the popular blood purifiers and medicines now sold. Many of them I found to be worthless, some dangerous to use. Sulphur Bitters contains nothing poisonous, and I think it is the best blood-purifier made."
"I USE Ayer's Cherry Pectoral freely in my practice and recommend it in cases of whooping cough among children, having found it more certain to cure that troublesome disease than any other medicine I know of."—*Dr. Bartlett of Concord, Mass.*
When the baby was sick we gave her Castoria. When she was a child she cried for Castoria. When she became Miss she clung to Castoria. When she had children she gave them Castoria.
Look Here, Friend, Are You Sick?
Do you suffer from dyspepsia, indigestion, sour stomach, liver complaint, nervousness, lost appetite, biliousness, exhaustion or tired feeling, pains in chest or lungs, dry cough, night sweats or any form of consumption? If so, send to Professor Hart, 88 Warren street, New York, who will send you free, by mail, a bottle of *Fluoroplex*, which is a sure cure. Send to-day.
X-mas.
If possible not only make gifts to your family and immediate friends, but to the deserving poor. In making your selection for a present for a poor family be sure and get something useful. If you can not afford a ton of coal or a cord of wood, give them a bottle of Anti-Appoplexie; it costs but \$1.00, and will relieve much suffering. Warmed to cure rheumatism, heart disease, dyspepsia, liver complaints, kidney and bladder troubles.
Advice to Mothers.
Mrs. Winslow's Soothing Syrup, for children teething, is the prescription of one of the best female nurses and physicians in the United States, and has been used for forty years with never-failing success by millions of mothers for their children. During the process of teething its value is incalculable. It relieves the child from pain, cures dysentery and diarrhoea, griping in the bowels and wind-colic. By giving health to the child it cures the mother. Price twenty-five cents a bottle.
Works Like a Charm.
Bancroft's Instant Relief and Liniment is a popular household medicine, for navigating the system and imparting healthy action. Used successfully in the early stages of diphtheria, cankerash, measles, removes the spots, heals the sores, brings discharges to the surface. Cures colds, pain in the stomach and bowels, rheumatism, neuralgia, burns, toothache, chilblains, frostbites, chapped hands, and for all purposes of a liniment. Equally efficacious for animals whether applied externally, for cuts, wounds, scratches, or used internally. Send for circulars.

To Our Subscribers.
The special announcement which appeared in our columns some time since, announcing a special arrangement with Dr. B. J. KENDALL Co. of Enosburgh Falls, Vt., publishers of "A Treatise on the Horse and his Diseases," whereby our subscribers were enabled to obtain a copy of that valuable work FREE by sending their address to B. J. Kendall Co. (and enclosing a two-cent stamp for mailing same), is renewed for a limited period. We trust all will avail themselves of the opportunity of obtaining this valuable work. To every lover of the horse it is indispensable, as it treats in a simple manner all the diseases which afflict this noble animal. Its phenomenal sale throughout the United States and Canada make it standard authority. Mention this paper when sending for "Treatise."
